

# Your Partner For Success

## REDUCE YOUR RISKS WITH OUR BUSINESS CONTINUITY SERVICE

We can identify risks that may cause you business downtime. Working with you we help minimise those risks to

acceptable levels and help you put in place appropriate management processes.

First developed at Compaq Computers for Enterprise customers we are now able to offer a reduced cost analysis for the small to medium business. A premium service we involve a task force of multi disciplined consultants.

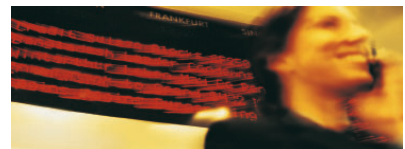

We specialise in software technologies Windows, OpenVMS, MacOS X, and Linux on a variety of hardware technologies include Intel, Itanium, Xeon, Alpha and VAX processor based systems. We also offer Systems Management, Remote Support, Business Critical Services, Security Management, Web Design and and Public Relations management

Please call to discuss your needs

## Some of the risks to your business

- Legacy Dependencies
- Security Management
- Resilience
- Disaster Planning
- Password Management
